Summer Opportunities
2010

Math Enrichment - In this class, students will be working on brushing up on their math skills. They will play math games, do math activities on the computers and Smart board, focus attention on memorizing their math facts (addition, subtraction, multiplication, division), as well as working on developing their critical thinking skills in the area of math. Students entering 1st – 3rd – 10:00-12:00
Students entering 4th – 5th – 1:00-3:00
Mr. & Mrs. Scott and Melissa Larabee - July 6 – 16 - \$100

Ka-boom – Rocketry, airplanes and explosions – We will be making and flying rockets, learning about airplanes and about explosions. Students entering 1st – 3rd – 9:00-10:00
Students entering 4th – 7th – 3:00-4:00
Mr. David Mouttet – July 6 – 16 - \$75

Reading Computer Lab – (entering grades 1-8) – Students will work with Lexia or Reading Plus. These are web-based programs which work on reading skills, fluency and comprehension.

Math Computer Lab – (entering grades 5-8) – Students will work on select Acellus math courses – Math’scool, Middle School Math 1, Middle School Math 2, FUNMath (pre-Algebra), Algebra’scool, and Algebra I - **\$15 registration fee + weekly fee**

The Reading and Math Labs are available: **Monday – Thursday June 7- July 15**
1:00-3:00 - **\$25 per week.** Middle school students may choose to spend one hour on reading and one hour on math or two hours on either.
Monitored by **Miss Tiffany Mouttet or Mrs. Jane Mouttet**

Courses which do not meet minimum enrollment requirements by one week before the first day of class will be cancelled.
