Elementary Summer 2009  
Opportunities  
June 1-26  
Mad Science July 6-17  
Week B - July 20-24  
Week C - July 27-31

## Elementary Students

**Ka-boom** – (entering grades 1-5) – Rocketry, airplanes and explosions – We will be making and flying rockets, learning about airplanes and about explosions in this one week course. **Mr. Mouttet - \$75 – week B – 10:00-11:30**

**Language Readiness** – (entering grades 4-6) – This course is designed to get upper elementary students ready for the language work that will be required of them during the school year. Students will review sentence types, parts of speech, capitalization, punctuation, diagramming, and paragraph writing. **Mrs. Caroe - \$75 – weeks B & C – 3:00-4:00**

**Math Enrichment** – (entering grades 4-5) – In this class, students will be brushing up on their math skills. They will play math games, do math activities on the computers and Smartboard, focus attention on memorizing their math facts (addition, subtraction, multiplication, division), as well as working on developing their critical thinking skills in the area of math. **Mr. and Mrs. Larabee - \$100 – Weeks B & C – 1:00-3:00**

**Origami** – (entering grades 2-5) – Origami is the Japanese art of paper folding. We will be making flowers, animals, and other items out of paper in this one week course. **Tiffany Mouttet - \$40 – week B – 12:30-1:30**

**Polymer Clay** – (entering grades 2-5) – Do you like to make things out of clay? In this one week course we will be making animals and other figures out of polymer clay and learn about the baking process. **Tiffany Mouttet - \$40 – week C – 12:30-1:30**

**Poetry Writing** – (entering grades 2-5) – Do you like poetry? Would you like to spend a week writing poetry? We will be learning about different types of poetry and spend time writing poetry in this one week course. **Mrs. Mouttet - \$50 – week C – 10:00-11:30**

**Reading Camp for Boys** – (entering grades 2-5) – Join us for 2 weeks of reading fun. We will be reading some “boy” books and activities. **Mrs. Mouttet - \$100 – weeks B & C – 8:30-10:00A**

**Reading Camp for Girls** – (entering grades 2-5) – Do you like to read? Join us

for 2 weeks of reading fun. **Mrs. Mouttet - \$100 – weeks B & C – 1:30-3:00**

**Reading Computer Lab** – (entering grades 1-5) – Students may choose 1 or 2 hours in our Reading Lab to work with Lexia or Reading Plus. **Mrs. Caroe – June 1-26 – 12:00-2:00 - \$100 - 1 hour daily for 4 weeks, \$200 - 2 hours daily for 4 weeks**

## **Mad Science Camps Ages 6-12**

4 will be offered July 6-17
