

## Bryan Bagwell – Treasurer, Board of Trustees

Bryan Bagwell currently serves as Treasurer on the Mesilla Valley Christian School Board of Trustees, where he leads the Finance Committee with a heart for stewardship and service. A proud graduate of New Mexico State University with Honors in Accounting, Bryan brings both professional expertise and a deep commitment to Christian education. He and his family have been part of the MVCS community for eight years, his wife Katie has done admissions testing, taught elementary school, and served as the librarian at MVCS, and he has two children currently attending the school — Beau (Senior) and Kelsey (7th grade).

Bryan loves spending time with his family, chasing his kids to and from sporting events, playing music/guitar, seeing friends on Sundays at First Baptist Church, and believes strongly in serving others through faith and community involvement. Prior to joining the MVCS Board, he spent eight years on the Board of Cowboys for Cancer Research, eventually serving as Vice President. He also founded the Sonoma Express PTO nonprofit and the “Blazer Ball” nonprofit which serves as an auxiliary organization supporting MVCS athletics. Don’t get him confused with his TWIN brother Brandan at the next MVCS event!

In addition to his board service, Bryan has coached middle school basketball at MVCS for three years and continues to volunteer at MVCS football games — announcing, setting up signage, and keeping the energy high for the Blazers. His dedication to both the school and its mission reflects his desire to see students grow in faith, character, and excellence.
