Rob's wife, Karen shares his heart for service and MVCS. She set up the MVCS tutoring program, been a substitute for all grades, run the morning and after care programs, did a couple stints as receptionist and taught 1st grade. While Christian and Zoe graduated in 2021 and 2022 respectively, Karen continues to be very active at MVCS, kicking off the tutoring program (with Dr Butler) for this year and will be returning as a first grade teacher next year.
